ABOUT SAUVIE ISLAND SCHOOL

Sauvie Island School is a meeting place that fosters an environment where students, parents, staff, and the community are partners in the educational process for the achievement of all children. We are a K-8 Public Oregon Charter School focused on Place-Based Education. Our school is in the heart of the Sauvie Island community, and our student body currently consists of children from Multnomah and Columbia Counties.

Place-Based education is founded in the principles of stewardship and environmental responsibility, and we offer a curriculum that uses the unique and natural environment of Sauvie Island to guide our students’ education. Our curriculum integrates the natural environment into our children’s education giving our students the hands-on experience they need to learn critical thinking, effective communication, academic excellence, and to become stewards of the environment.

PHILOSOPHY

Our teachers and staff systematically and intentionally integrate the concepts of Place-Based Education, Project-Based Learning and Thematic Instruction into a quality standards-based core curriculum so that students are engaged in their learning and connected to their community. Placed-Based education helps students make connections between what they learn and how they live. Projects in the community provide an opportunity for teachers and students to solve real life problems and meet authentic community needs.

COMMUNITY STEWARDSHIP

Our students and faculty are active and caring members of the community, embodying the qualities of community stewardship:

LEADERSHIP – someone who calmly guides others toward a common goal.

KINDNESS – a compassionate person who considers the feelings of all.

PERSEVERANCE – someone who doesn’t give up, even when a task is challenging.

TEAMWORK – someone who helps the whole group work constructively together.

JOY – a person who, even when a task is hard, is not so serious they forget to have fun.

WHY SPONSOR?

We need your support for our students to continue to have access to an education that will encourage innovative thinking, cooperative learning, stewardship of the land and its resources, and a willingness to be a part of their community. Your sponsorship will help us raise the funds needed to continue to support our students’ educational and enrichment activities, including:

ART • MUSIC • LIBRARY • FIELD TRIPS

ASSEMBLIES • SCHOOL GARDEN HABITATS

Many of these enrichment programs are connected to our heritage and community on and around Sauvie Island and have been made possible with the generosity of our auction sponsors and attendees.

Our annual Sauvie Island School Auction is hosted by the picturesque Columbia Farms on Sauvie Island. Attendees will have the opportunity to participate in silent and live auctions, enjoy a locally catered dinner, and end the night with dessert and entertainment. Please, will you join us for a delightful Spring evening?
For more information or to discuss Sponsorship opportunities, please contact: Julie Pond at: treasurer@sauvieislandacademy.org
